**THE HONORABLE  
JEB BUSH**  
*Former Governor of Florida*

Governor Jeb Bush is the president of the consulting firm Jeb Bush and Associates. He served as Florida's 43rd governor from 1999 through 2007.

During his two terms as governor, education was a top priority. He helped Florida raise academic standards and required accountability in public schools. Bush worked with the Florida Legislature to take advantage of new technology to expand access and improve the quality of education. In 2000, the state established online public high school, Florida Virtual School, as an independent educational entity, a unique distance-learning institution that allows students in rural areas of the state to take Advanced Placement classes for college credit. Governor Bush currently serves as chairman of the Foundation for Excellence in Education, a national foundation focused on education reform.

Prior to becoming Governor, Bush served as Florida's Secretary of Commerce under Governor Bob Martinez, Florida's 40th governor. In 1994, Bush joined forces with the Greater Miami Urban League to establish one of the state's first charter schools, Liberty City Charter School, in one of the most underserved parts of Miami-Dade County.

Currently, Bush is on the boards of Tenet Healthcare Corporation, Angelica Corporation, Rayonier, Inc., Empower Corporation, and CorMatrix Cardiovascular, Inc. Bush is the Chairman of the Foundation of Florida's Future, and Honorary Chairman of Volunteer USA, and he serves on the National Civic Leaders Advisory Board of America's Promise Alliance, the George H.W. Bush Presidential Library, the George W. Bush Institute Board, and the Bloomberg Family Foundation Board.

Bush earned a bachelor's degree in Latin American studies from the University of Texas at Austin. He and his wife, Columba, live in Miami and have three grown children. Bush is the son of President George H.W. Bush and Barbara Bush.
