# **WGU Tennessee and Motlow** State Renew Agreement News Brief - 5/27/16

NASHVILLE — Dr. Kimberly Estep, WGU Tennessee chancellor, and Dr. Anthony (Tony) Kinkel, Motlow State Community College president, today celebrated and re-signed an articulation agreement that has allowed more than 80 Motlow State Community College faculty, staff, and graduates to further their education.

"We are pleased that Motlow State students and employees have an even more affordable path to quality higher education through this agreement with WGU Tennessee," said

Kinkel. "This partnership

will give more of the Motlow State community easier access to bachelor's and master's degrees and ultimate career success."

"Motlow State is a critically important link in Tennessee's community college system and we are proud to provide accessible, affordable education to their graduates and staff," said Estep. "We look forward to the continued growth of our partnership as Tennessee Promise students prepare to graduate from Motlow State in the coming years."

The articulation agreement offers all Motlow State graduates and staff discounted tuition at WGU Tennessee, which is already only \$6,000 per year and includes learning materials.

Graduates of Motlow State or other Tennessee community colleges who choose to enroll in WGU Tennessee will benefit from 24/7 access to coursework, one-on-one support from an assigned mentor, and a competency-based approach to learning, which allows students to focus on what they need to learn and leverage what they have mastered on the job.

All of this gives students the flexibility they need to balance education, employment and family.

The relationship between WGU Tennessee and Motlow State fosters the kind of cooperation necessary to achieve Haslam's Drive to 55 goals. With the Tennessee Promise initiative and Motlow State's partnership with WGU Tennessee, potential students have the opportunity to earn a bachelor's or master's degree at a fraction of the average cost.
