## **Sekou Andrews**

*Poetic Voice*

*CEO/Founder,*

*SekouWorld Inc.*

A week in the life of poetic voice, Sekou Andrews, could find him keynoting at a leadership conference, helping a Fortune 500 company with brand messaging, or performing for Barack Obama in Oprah Winfrey's backyard. This schoolteacher turned two-time national poetry

slam champion has now become the world's leading "Poetic Voice" - a new type of speaker and artist who seamlessly blends inspirational speaking with spoken word poetry, combining the value of a business keynote with the inspiration of a powerful performance. His presentations are in high demand from Fortune 500 companies, leading conferences, and global nonprofits, such as Google, Toyota, Nike, Paypal, Johnson & Johnson, Global Green, and ASAE. He has been featured on national media outlets, including ABC, MSNBC, HBO, Showtime, MTV and BET, and Forbes has called him "the de facto poet laureate of corporate America." Sekou has presented privately for such luminaries as Larry King, Quincy Jones, Hillary Clinton, Bono, Maya Angelou, and Norman Lear, and has shared the stage with music heavyweights Stevie Wonder, Jay-Z, Maroon 5, Kendrick Lamar, and the Pasadena Pops Orchestra to name but a few. His last spoken word album, "Poetic License," made him the most awarded artist in the nation's largest independent music organization. As a fearless disruptor of the speaking industry, Sekou also gives rockstar secrets to public speakers through his unique Stage Might™ speaker training system, teaching influencers how to perform a speech to engage any audience. As a poetic voice, Sekou does more than inspire us with his story; he inspires us with *our* story.
