

WESTERN GOVERNORS UNIVERSITY

SATURDAY, JUNE 2, 2018

LAS VEGAS, NEVADA

Our Mission

The principal mission of Western Governors University is to improve quality and expand access to post-secondary educational opportunities by providing a means for individuals to learn independent of time or place and to earn competency-based degrees and other credentials that are credible to both academic institutions and employers.

Our Promise

We help our students achieve their dreams for a degree and career success by providing a personal, flexible, and affordable education based on real-world competencies.

Message from the President

Dear Graduates,

On behalf of all of us at WGU, I want to congratulate you and welcome you to our commencement celebration. We recognize and respect the hard work and sacrifices you have made to complete your degree, and today is your day to celebrate this important milestone in your life.

We share your excitement and pride in this achievement—one that has the potential to make a real difference for you, your family, and even future generations. As you join the ranks of the more than 110,000 WGU graduates, we hope you will stay in touch through our Alumni Relations.

Again, thank you for coming today. We are so grateful for the opportunity to share this day with you and your family. Congratulations!

A handwritten signature in black ink that reads "Scott D. Pulsipher". The signature is written in a cursive, flowing style with a long horizontal line extending from the end of the name.

Commencement Speaker

The Honorable Brian Sandoval

Governor, State of Nevada

Brian Sandoval was elected the 30th Governor of Nevada in 2010 and re-elected in 2014. Prior to serving as Governor, he served as a United States District Judge for the District of Nevada. Governor Sandoval has also served as Attorney General of Nevada, Chairman of the Nevada Gaming Commission, and in the Nevada Legislature.

Sandoval's accomplishments as Governor include working to make Nevada the most veteran and military-friendly state in the nation; reconstructing Nevada's approach to economic development; expanding health care coverage; implementing new, innovative gaming policy; and leading the effort for an unprecedented investment in and modernization of Nevada's

public education system.

During his inaugural legislative session in 2011, Governor Sandoval transformed Nevada's approach to economic development by bringing the duties directly under his authority and creating the Governor's Office of Economic Development (GOED). Since then, GOED has successfully partnered the state with cutting-edge companies, technology innovators, and helped develop new industries across the Silver State.

The Governor has also directed regulation and innovation for gaming policy. By continuing to set the gold standard through pioneering legislation and state policy, Governor Sandoval identified the potential for interactive gaming, skill-based games, and other developments in the ever-evolving industry.

The hallmark of the Governor's administration has been his vision for modernizing and redefining Nevada's education system. In 2015, Governor Sandoval enacted an unprecedented investment to reform Nevada's education system. The changes have delivered targeted programs to boost student achievement and equip students and teachers with the tools for success as innovators, job creators, and leaders in the new Nevada economy.

As part of the 2015 Legislative Session, Governor Sandoval signed a comprehensive plan to provide additional support to military veterans and their families through educational, employment, and healthcare services. In addition to these policy changes, he also pursued substantial funding for veterans initiatives including state-match funding for construction of the Northern Nevada Veterans Home.

Governor Sandoval actively serves as Chairman of several Boards and Commissions for the State of Nevada, including the Boards of Finance, Examiners, Prison Commissioners, Pardon Commissioners, Transportation, Economic Development as well as the Commission on Homeland Security, and the Gaming Policy Committee.

During his tenure, the Governor has also held several national positions, including the chairmanships of the Western Governors Association, the Education Commission of the States, and the Council of State Governments. He currently serves at the Chairman of the National Governors Association, an organization of which he was also selected by his peers to serve as the Vice Chairman of from 2015 to 2016.

Governor Sandoval received his Bachelor of Arts degree from the University of Nevada in 1986 and his law degree from The Ohio State University Moritz College of Law in 1989. He has three children, James, Maddy, and Marisa.
